Dear Mr. Dan Harper,

On behalf of the Alberta Children's Hospital Foundation I would like to thank you for your commitment to the children and families at our hospital. As a supporter, you are a very special part of our hospital. We want you to know that you are providing much more than a monetary gift to us. You are giving hope to thousands of sick and injured kids and their families.

Through your gift, you are having a direct impact on the lives of children being treated at the hospital. I hope you will enjoy reading the stories of a few of the children benefiting from your support, in the enclosed Just 4 Kids newsletter.

Inside, you will find the story of Ekene, the first little boy to be cured of sickle cell disease through a bone marrow transplant in Western Canada. You will also see a letter from Ian and Illisha Patterson, thanking you for helping them become among the first families to benefit from our new pediatric hospice and respite care centre, Rotary/Flames House.

Mr. Dan Harper, donors like you are at the heart of the Alberta Children's Hospital. Thank you for making a difference in the lives of the 75,000 children and families who rely on care from the Alberta Children's Hospital each year.

Sincerely,

A handwritten signature in black ink that reads "Saifa Koonar". The signature is written in a cursive, flowing style.
