Dear Dan and Tom,

Thank you!

Because of people like you, the Canadian Cancer Society is able to help more people than ever before. You have made an undeniable impact in the lives of people living with cancer. Thank you for dedicating your time and energy to organizing your Grand Opening BBQ Fundraiser with all proceeds benefiting the Canadian Cancer Society.

The Canadian Cancer Society is your best partner in the fight against cancer, and we fight back by:

- doing everything possible to prevent cancer
- funding the best research to outsmart cancer
- empowering, informing, supporting and improving the lives of Canadians living with cancer
- mobilizing Canadians to make cancer history

Because two in five people will receive a cancer diagnosis at some point during their lifetimes, we all have a reason to join the fight against cancer. That's why we want you to know how much we value your time, energy and commitment to our cause. By planning an independent fundraiser, you have truly helped make a difference in the fight against cancer.

Once again, thank you for participating in *Reach for a Cure*. With your help, the Canadian Cancer Society can continue to fight back against cancer on behalf of all Canadians.
