Dear Danny Harper,

On behalf of the Kids Up Front Foundation (Calgary) and the thousands of kids that we serve, thank you for your ticket donation. Your kind support has put a smile on a kid's face!

Kids Up Front had a fantastic year in 2009. Over 27,000 tickets were distributed to children and youth who wouldn't normally be able to attend art, cultural, sport and recreational events in our community. That is a combined total worth of over \$1,100,000! Some of the children were new to Calgary, and to Canada, and had the opportunity to attend their first hockey game, in true Canadian style. Youth living in group homes were able to attend concerts, many for the first time in their lives. Families with young children, struggling with financial challenges, were able to attend a classic play during the holidays. And some children in protective custody were able to have arranged visits with a family member at a football game. In each case, the ticket opportunity gave a child or youth a positive lift – with some fun and excitement. These experiences boost self-esteem, increase self-worth and help kids develop better relationships with the people in their lives.

Every single donation to Kids Up Front makes a difference, whether it is a monetary, ticket or in-kind donation. We will be pleased to recognize your support by including your name on our annual donor list that we publish on our website www.kidsupfront.com. Please advise us if you wish to have your name removed from the donor list at 403-444-4318 or kari@kidsupfrontcalgary.com.

We know that a ticket can be the key that opens the door to a world of possibility and can inspire dreams. Thank you for being a part of that dream through your generous donation.

Warmest regards,
