One little ticket, one big lift

Words cannot express the joy in the kids' eyes or the way they smile when they receive tickets from Kids Up Front. We would like to thank you once again for giving kids a big lift!

We are happy to forward on the heartfelt thanks from the kids - we hope you are as touched by them as we are. When you consider the situation that some of these kids are living in (shelters, homelessness, physical or mental challenges) – even a little “thanks” shows a lot of effort and conveys a real appreciation for your gift.

Warmest regards,

Kid
